Dear Parent/Guardian or Participant,

This is basically a weekly Horsemanship lesson for Horse Crazy boys and girls who want to learn all about horses and enjoy spending time with them, but perhaps cannot commit to standard lessons. Ages: 5-13

Cost: \$100/month (\$80/month/child multi-child discount) Due the 1st of each month

Tuesdays 10:00 am September-April

Your child will learn all types of horsey stuff like:

- Grooming
- Tacking (putting the equipment on)
- Leading
- Round penning (training/exercising them in a round pen)
- Lunging (training/exercising them on a lunge line)
- Riding (everyone will ride once a month barring weather issues)
- Breeds
- Colors (yes, horses have unique color names)
- Disciplines (riding styles)
- Health
- Care and Upkeep
- Injuries and Illness
- Feeding
- And More!

No credits or makeups will be given for missed lessons. Lessons held rain or shine. Cancellations for inclement weather will be posted on our Facebook page, emailed, and called/texted if possible. Please check for updates.

**For individuals with special needs or disabilities, please use our Therapeutic Riding Application. Students must be able to participate in group activities, follow directions, ride and work without one on one assistance, and communicate their needs for their safety in this activity. If you have a child with special needs that likes horses or that wants to ride, please check out our Therapeutic Riding Program. Horsemanship teaches characteristics of communication, cooperation, respect, trust, leadership, assertiveness, equality, relationship building, empathy, responsibility, empowerment, and so much more.

- **Our Curriculum:** In Horsemanship there is much more to learn about horses than just riding. A good Equestrian knows how to lead, feed, groom, bathe, give first aid, care for the equipment, etc. Groundwork teaches responsibility, empathy, respect, and other valuable information that is useful in horse ownership and in life. It also helps with empowering the student, managing a horse safely from the ground, earning the horse's respect, and teaching the student how to safely interact with the animal, etc. Ground lessons are a part of our curriculum here and will be given on the weeks between your student's designated ride times.

At Saving Grace Farm, we try to emulate mutual respect and trust, and we hope that you will see this, as you participate in the programs we have to offer here. Thank you for your participation in the programs at Saving Grace Farm.
